.com Conjuring (2013) 720p Blu-ray x264 [Dual Audio] [Hindi 5.1] - mafiaking.com REVIEW In the film Conjuring 2, Patrick Wilson and Vera Farmiga are coming back to the film to revisit the greatest evil. In the first part, James Wan (The Conjuring, SAW, A New Nightmare) took the audiences and the audience is the reason why he achieved so much success with his film, The Conjuring. Again Wilson and Farmiga are returning to the film, this time to fulfil the greatest evil, they are coming back to conjure the evil spirit in the form of Patrick Wilson's character. The film was released on 11 August 2016, and the total run time is 2 hours and 30 minutes. The film also boasts the UK release in 2D, 3D and IMAX 3D. The film was released in Hindi with English subtitles. IMDB: This is the 2nd installment of the family themed horror film. It is the sequel to the film The Conjuring which was released earlier this year. Wilson and Farmiga are performing again in this film and the purpose of this film is to put together a family who can fight off the evil spirit which has entered in the form of Patrick Wilson's character. The film also has Ed Harris in the lead role. The film also has Taissa Farmiga in a supporting role. The film has appeared in 3 different versions and its running time is 2 hours and 30 minutes. The film has been rated with an R-rating as it contains some intense gore and violence in it. The film also has some special effects. Watch the film trailer of Conjuring 2 in the below. The movie is a horror film and has been released on 11 August 2016. Plot In his new life, single father Ed Harris becomes the key witness in the case of paranormal activity which has occurred in his home. The new case begins with Harris' daughter and son-in-law (also played by Farmiga) who are going through major problems in their home. They are unable to get their son out of the house as he has locked himself in and is actually starting to believe that the house is haunted. There
